

**MSHSAA PGML – Trumpet Trios  
As of 7-1-08**

In order for each of the MSHSAA **P**rescribed **G**raded **M**usic **L**ist (PGML) Review and Revision Project review committees to complete their tasks one last appeal is being made to gather all literature currently appearing on the MSHSAA PGML. Listed below are the titles that have not been secured at this time. Each selection will be reviewed to determine if the selection meets the specific matrix developed through each affiliate organization.

If a selection **cannot** be located for review by the committees, it cannot be physically reviewed; therefore the selection will be removed from the list. If you have any of the titles appearing in this document and are willing to provide a copy of the score only please complete the **MSHSAA Prescribed Graded Music List Comprehensive Revision & Review Project Selection Submission Form** (located as a separate link under Music Activities) to forward along with the score to Davine Davis at MSHSAA. The address is provided on the 'Selection Submission Form'.

If you are sending an original please make sure your name, the school name and mailing information appears on the score. All original scores will be returned at the conclusion of the reviews. If you prefer to submit a photocopy of the score it will be destroyed at the conclusion of the reviews. If you have questions please contact Davine Davis at MSHSAA. Thank you.
